GYMNASTICS ANNUAL CHRISTMAS DISPLAY – Saturday 16th December

Every year the display is set up in December to showcase the work the Gymnastics Team, with its team of talented casual coaches, deliver in the City of Salford at the satellite centres and at the Centre of Excellence at Ordsall.

The Silver groups included gymnasts from Irlam, Worsley, Eccles, Pendlebury and Clarendon.

The display theme this year was 'Films'. Each group performed to a piece of music lasting between 3 and 9 minutes. The Trampoline Team demonstrated expertise in a special routine involving all the children from the Development Squad. Music from some well known films such as Annie, Pirates of the Caribbean, The Little Mermaid, gave variety and interest.

The two piece squad presented some of their more talented medal winning gymnast's individual floor routines , a group display to 'Rocky' and finished with a stunning group tumbling display .

The standard of the display was very high this year and showcased how much the gymnasts and trampolinists have improved in their skills levels.

Spectator attendance was great at both performances. The two-piece gym club were given the opportunity to raise some club funds by serving refreshments.
