- A new ESOL class started at Broughton Library
- Additional public access PCs have been installed at Broughton Library
- Reading groups at Height Library continue to thrive

New World Trading Company

The New World Trading Company hired Salford Sports Village for their annual charity team building event. 350 employees from all over the country attended the event which involved a mini football tournament, inflatable games and food vendors.

Global football

Global football - a football academy based in the USA selected Salford Sports Village as a base for their 2 week UK tour. The academy consisted of 30 young people and 5 coaches. Operating from 9am until late evening, Global Football played a number of games against local football teams including Sports Village based Manchester International Football Academy. Lunch and educational workshops also took place on site during their time at the site, which received excellent feedback and are in line to be used as their host site on their next tour of the UK.

Tea dance

Salford Sports Village is working toward improving the range of activities and social events available for elderly residents and customers. The latest event held was an afternoon Tea Dance. Additional activities included a DJ and bingo. A further and very welcome addition saw invitations to children from Sports Village based Yogurt Pots Nursery for some intergenerational activities. The event was a great success and will be repeated prior to Christmas.

Customer Feedback:

"I have used Salford Sports village for a couple of our team building events in the past and have always found it to be a beautiful and friendly managed venue. We held our companies first Charity Football Tournament in August here, this was the first event that we have ever done like it and it was a huge success hugely down to the support and help we received from the team there! They were incredibly accommodating on the day as well as in the run up! Everything was very well organised and set up when we arrived. Neil and his team were always on hand throughout the event which was really refreshing as this has been an issue we have had with previous venues used. We couldn't recommend this venue enough and we look forward to our next event with them!"

Forthcoming events and activities:

- Quiditch
- Frisbee trials
- Greater Manchester Mayors question time
- Christmas tea dance
