*Enhancing the lives of people in Salford*

## Performance Report for the Irlam & Cadishead Neighbourhood Area

April – September 2018

### Key highlights include:

- Phase 1 of the Irlam and Cadishead Cycle Network displayed at Leisure Centre
- Local Primary Schools Swimming Gala
- Cbeebies filming of synchronised swimming sessions
- Sauna facility introduced at Irlam and Cadishead Leisure Centre
- Synchronised Swimming Course
- Commonwealth Games promotional film based at Irlam and Cadishead Leisure Centre
- Successful summer reading challenge
- Computer classes at the libraries
- Busy programme of holiday activities including, Lego mania and 3d design and printing

### Spotlight – Filming

Irlam and Cadishead Leisure Centre have been used by a number of film crews for a variety of purposes during the past few months. In April, a short promotional film was shot at the centre featuring a young boy who 'through the magic of TV' became GB Olympic swimmer Adam Peaty and in July, CBeebies filmed some synchronised swimmers at the centre to support a programme on how music positively influences lives.

### Spotlight – Sauna Development

A sauna has been installed into Irlam and Cadishead Leisure Centre in response to customer demand. The installation was complete in July and has been positively received by all customers. The sauna enhances the provision offered to existing customers and it is envisaged that this development will attract new customers to the facility, thus reaching more members of the community.

### Spotlight – Reminiscence day

Cadishead Library hosted a reminiscence day where local people were invited to share their memories and photographs of the local area. It attracted a wide range of people who had an enjoyable morning discussing the old Cadishead over a brew and a biscuit. Their memories were collected and they may feature in a forthcoming edition of Salford Link magazine.
